March Branch Meeting

Law Enforcement and Equity

Steve T. Descano,

Fairfax City and County Commonwealth's Attorney

Tuesday, March 16

6:30 - 8:30 pm

Via **ZOOM**

Steve T. Descano, a veteran and former federal prosecutor, is a West Point graduate. **Steve** was a helicopter pilot during his Army service before putting himself through law school. Later, he became a federal prosecutor under the Obama Administration, specializing in complex financial crimes of both national and international scope.

After his work in the Justice Department, **Steve** went on to serve his community as a board member for NARAL Pro-Choice Virginia as well as the Fairfax County NAACP's first nominee to the County's Police Civilian Review Panel.

Steve previously worked to help families throughout the region as the Chief Operations Officer and General Counsel at Paragon Autism Services, Northern Virginia's premiere provider of Applied Behavior Analysis therapy for children with autism.

Since taking office in 2020, **Steve** has embarked on a groundbreaking reform agenda. He has implemented policies that make our community safer while addressing racial and socioeconomic inequities in our criminal justice system, stemming the tide of mass incarceration, and elevating a holistic, values-based approach to prosecution over a reflexively punitive one.

Steve lives in Burke Centre with his wife, **Ryanne**, and eight-year-old daughter **Charlotte**.

The ID and password for the **ZOOM** meeting will be sent in an email blast from **Aroona Borpujari** a few days before the program. For inquiries please contact **Carol Mournighan** or **Naz Basit**.

Presidents' Message

Spring is coming! Later this March, we will celebrate the vernal equinox marking the end of winter and the beginning of spring, when daylight will last longer than darkness, temperatures will rise, and vegetation will come to life again. After almost a year, the COVID-19 case numbers are dropping across America and the death rate is declining. More vaccines are now available, and Fairfax County is getting them in residents' arms.

Naz Basit and Carol Mournighan, Co-Presidents.

While Americans are beginning to come together, racism still holds many people of color back. Our **March 16 program** will feature **Steve Descano**, Commonwealth Attorney for Fairfax City and County. He will talk about **reforms that are being implemented to provide equity under the law to all our residents**. The **March Branch meeting will also feature STEM Essay Contest** winners from a local middle School and the **election of Branch officers**.

The **AAUW Virginia State Conference** will be held on **March 13-15** via Zoom. Please check out details about the conference in the newsletter and plan to attend.

In Memoriam

Remembering Connie Small

Connie Small, a longtime member of McLean AAUW, passed away in January at home in Vienna at age 88. **Connie** grew up in Massachusetts and earned a BA in French from Mount Holyoke College and an MA in Linguistics. She was the first in her family to go to college. Connie graduated early from Mount Holyoke to marry Leo her husband of 67 years, who survives her. She and Leo raised five children while living on three continents.

Connie enjoyed many AAUW activities including Great Decisions, International Hospitality, and the Book collection and Sale. For many years, the McLean International Hospitality Group met weekly from September to May to help welcome diplomatic spouses living in the McLean area. The Arlington and McLean AAUW branches participated in a program to assist diplomatic families posted to the Washington, DC area that resulted in the creation of the Branch Hospitality Group. **Connie** received the names of families who were moving to the McLean area, introduced them to the Mclean AAUW Hospitality group, and shared McLean Community Center packets for newcomers. Many diplomatic wives enjoyed close relationships with McLean AAUW members. Throughout her life Connie enjoyed helping others. She loved working on the AAUW Book Sale, working with Meals on Wheels, and singing with the New Dominion Chorale. Her motto was, "A stranger is just a person you haven't met yet." She will be missed. If you would like to send a note to her family, mail to:

There shall be no barriers to full participation in this organization on the basis of age, disability, ethnicity, gender, gender identity, geographical location, national origin, race, religious beliefs, sexual orientation, or socioeconomic status.

From AAUW

Kim Churches, with **Kate Neilson** and Public Policy staff, has been active working with **President Biden's** transition team, producing AAUW's policy statements and legislative priorities and sending letters to all members of the 117th Congress. The online AAUW Action Network provides AAUW members with an easy way to send messages to our Senators and Representatives.

Some of the bills showcased, include the Family and Medical Insurance Leave Act, the Minimum Wage Act, and The Paycheck Fairness Act.

AAUW has worked for decades to pass the landmark Paycheck Fairness Act to advance pay equity. The House of Representatives passed the legislation with bipartisan support during the 116th Congress. The bill has already been reintroduced in the 117th Congress with broad support, but quick action is needed to get this critical bill to **President Biden's** desk so he can sign it into law.

Using AAUW's Action Network, I emailed a message to Virginia's senators and my representative in support of the Minimum Wage Act that would raise the federal minimum wage from \$7.25 per hour to \$15 per hour over four years. **Senator Warner** replied to this message saying,

“during an unprecedented economic and health crisis that has pushed millions of workers to the brink of poverty, the least we can do is ensure that our minimum wage is a living wage. I am an original cosponsor of this legislation.”

In January, the Public Policy staff presented an hour-long overview of current policies and future actions to members of the Lobby Corps on **Zoom**. Lobbying will be virtual only. As a follow-up, **Becky Gaul**, chair of the Lobby Corps, held an informal **Zoom** gathering of Lobby Corps members on February 4. More than 20 members attended, renewed their friendship, shared news, and expressed ideas for outreach to state presidents and approaches to successfully lobbying remotely. The Lobby Corps will continue to meet remotely the **first Thursday of each month at 11 am**. **Becky** will follow up with staff at AAUW to share the ideas discussed.

Commonwealth of Virginia

The legislative session has been extended and many bills are slated to be considered. Crossover Day is when the House and Senate each send their approved bills to the other chamber for consideration and voting has just taken place.

Some significant bills have already been passed by both houses and await the Governor's signature. These include abolishing the death penalty, facilitation of the COVID-19 vaccine, marijuana legalization, the Voting Rights Act, marriage equality, and restoration of rights to felons.

Denise Murden and **Susan Burk**, AAUW-VA co-chairs for public policy, have been emailing members asking them to send messages to State elected officials in support of a number of these bills and others.

Mary Lou Melley, Public Policy Chair

Editors' Note

Our Branch has been informed that in order to protect our members' email addresses from being hacked, we should remove the “@” in email addresses and substitute the word “at.” Whenever an email address appears in our newsletter or our website, it will be written as follows: [helenday at gmail.com](mailto:helenday@gmail.com). Apparently, it is the “@” sign that enables hackers to access email accounts.

Simply copy the phrase into an email “To” line, replace the word “at” with the “@” sign, and remove all spaces to re-construct a usable email address.

All scheduled Special Interest Group meetings will be conducted via ZOOM.
